That shouldn't be a problem at all. I will plan on taking photos with my phone during that portion of the trip.

Thanks,
Lincoln

Kevin/Millan/Lincoln,

We have an Embassy photographer available for most events, with the exception of Nettuno. This is great, because there usually an expense associated with photographers. For Nettuno, we would need to pay overtime for the Embassy photographer. Do you prefer that we leave this to Lincoln's iPhone, or that we add the overtime for the photographer for the Nettuno leg?

Thanks, Mark

Hi team EPA – PAS can take photos in the Rome meeting. The Nettuno excursion is the only one that would require overtime (Alessandro is already getting OT in Bologna and is willing to take pix, as you saw in a prior email I just sent.) Should Lee add OT for Nettuno, or would Lincoln's phone suffice?
